Part 2

Aims and objectives

Please read the guidance document Statement of purpose: Guidance for providers.

#### Aims and objectives

What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

We aim to ensure safe and effective services, whilst providing the highest quality of care within the environment

We will continue to provide the whole practice population, a high standard of healthcare.

We aim to continue with the practice development, whilst working in partnership with our patients, their families, and carers, involving them in the decision making about their care and treatment, geared to individual needs, encouraging them to become involved in decisions relating to care delivery.

Encouraging services into the practice, whilst providing quality primary care medical services into the community.

We will continue to promote health and wellbieng to all our patients whilst focusing on the prevention of disease by offering care and advice to all our patients.

We aim to continually improve healthcare through monitoring and auditing.

We will continue to ensure all our staff are competent and motivated, whilst having the right skills and training to continue in the development of their Jobs.

Continued high levels of achievement across all clinical and administrative areas.

To continue to improve non-clinical and clinical risk management

We will continue to provide confidentiality, whilst ensuring robust Information governance systems.

We will continue to treat all our patients and staff, with the utmost respect and dignity in a safe and friendly environment.

Dr A S Iqbal
